17 April 2018

Dear Mr Valjee

**Re: Thank you for your Donation**

I extend a sincere thank you to you and JMV Textiles for your recent donation of R1000 to Action in Autism. Your donation will contribute directly towards our Red Carpet Fundraiser that was held on 14 April. The proceeds from the fundraiser will contribute directly to the running costs at our Early Learning Intervention Centre for children between the ages of 2 and 6 years.

Action in Autism is a non-profit organisation formed by parents of children with autism to improve the quality of life for people with autism and their families. As a non-government organisation, Action in Autism relies on donations and funding to continue its work. Running costs such as rental, staff salaries and the cost of therapists mean that each fee-paying child is further subsidised by Action in Autism in excess of R4000 per month. As our organisation operates on a first-come first-served, non-discriminatory basis, we have eleven families who are not able to afford the fees. This places considerable financial strain on an organisation that relies on donations and funding to sustain its work.

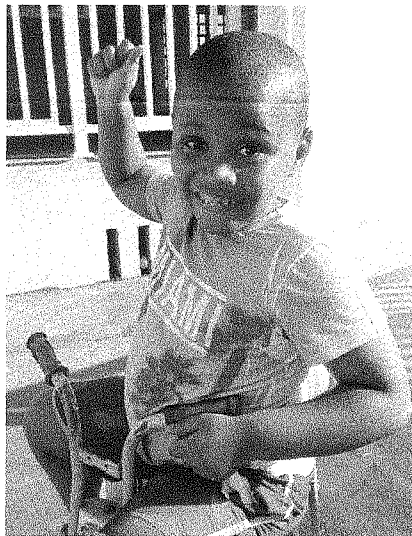

Action in Autism is a non-profit organization created by parents of children with autism to improve the quality of life for people with Autism Spectrum Disorders and their caregivers by building partnerships between people with ASD, their families and the community to provide information, services, learning and research. Action in Autism's vision is that every child with autism in KwaZulu-Natal be enrolled in a school in 2018.

Thank you for your wonderful and generous contribution to Action in Autism and to our children. Please feel free to visit our new Centre at 105 Haig Road, Parkhill, Durban North at any time, to see what we are doing, and to meet our little ones that you have so graciously helped.

Yours sincerely,

Kirsten Miller  
Manager  
**ACTION IN AUTISM**
