RE: DONATION OF GOLF SHIRTS

On behalf of the residents, staff and committee members of the Jona Vaughan Home, I would like to extend a very big thank you for your generous donation.

A lot of our residents have been abandoned or orphaned, so they have no one to purchase clothing for them, toiletries, bed linen etc. Without support and donations it would be impossible to maintain the standards and to improve the quality of life and surroundings for the residents who live at the Home.

Once again, a very big thank you.

Yours faithfully

WENDY & LEON MAAS
