Dear Sir / Madam,

RE: APRECIATION LETTER

Feedy Needy is an organization based in Phoenix, working throughout Kwa-Zulu Natal, working with the following:

1. **Orphans and Vulnerable Children**
2. **Child Abuse**
3. **Education and Training**
4. **Health and Hygiene**
5. **School and Community Feeding**

Feedy Needy works regardless of race, religion or belief. We are an organization that runs solely on monies raised by fundraising; therefore we embark on many Fundraising events. Our quest is to raise as much funds as possible to take on projects and carry out the ones we are working on to the best. To see those big bright smiles, brings warmth to our heart. Our projects for the above are conducted with disadvantaged communities making them our major beneficiary.

We would like to place on record our sincere thanks and appreciation to you for your kind sponsorship of clothing towards our Women's Day Campaign.

Kind regards

Yours in Community Service
Zaied Mahomed Haniff
